

David Gregory

David's association with swimming began as a swimmer many years ago at the Aspley State School Pool in the 1970's, becoming involved again in the sport through his daughters, Monique and Carmen, at the Grace Swimming Club around 2000. He has been a devoted servant of the club since then, performing a multitude of roles, including a stint as Treasurer and a committee member, and was honoured with Life Membership.

As well as being a hard working club member, David has been officiating at swim meets conducted by Brisbane Swimming, Swimming Queensland and Swimming Australia since 2005. In 2013 David became a FINA Starter and has officiated at various International Meets as both a Starter and Referee. In recognition of his dedication and service, David was awarded an Australian Sports Commission Scholarship in 2009 and was presented the Swimming Australia Official of the Year in 2011 and the Swimming Queensland John Keppie Award for officiating in 2012.

David is the Chair of the Brisbane Swimming Technical Sub-Committee and serves on the Swimming Queensland Technical Sub-Committee. He is also an examiner of officials and has conducted numerous seminars on the role of Technical Officials.

David's knowledge and love of the sport is clearly evident in his eagerness to be involved and willingness to assist at any level and in any position. His aim of officiating to see everyone is given a fair go is shown whenever he officiates.

Humble, generous and ever dependable, David has given invaluable service to swimming. It is with my great pleasure to recommend David Gregory for Life Membership of Brisbane Swimming.
