

## **Steve Carsley**

Steve's association with swimming began at Duncan Demons where his children, Harrison, Campbell, Frazer and Mackenzie, first took a liking to the pool. Now a member of Albany Creek Swimming Club, Steve is a devoted servant of various clubs within the Brisbane Region, for which he performs a multitude of roles, including Technical Official duties at club meets.

As well as being hard working at club level, Steve has been officiating at swim meets conducted by Brisbane Swimming, Swimming Queensland and Swimming Australia for over a decade, and officiated in all positions including Referee.

Steve has also officiated at a number of International Meets, including the New Zealand National Championships and the Pan Pacific Championships. Most recently Steve was appointed to officiate at the Commonwealth Youth Games in Samoa in 2015. In addition to his officiating duties, Steve is also an examiner of officials and is involved in mentoring programs within the state. Steve was also instrumental in the introduction of the backup timing cameras used at Australian Championships.

Steve's knowledge and love of the sport are clearly evident in his eagerness to be involved and willingness to assist at any level and in any position. Steve devotes much of his spare time to giving others the opportunity to pursue their love of swimming in a safe fair environment.

Meticulous, generous and ever dependable, Steve has given invaluable service to swimming. It is with great pleasure to recommend Steve Carsley for Life Membership of Brisbane Swimming.
