

# TEAM MANAGER ALLOCATIONS

Due to the younger age group of swimmers participating this weekend, and as there are a number of relay events we have allocated free Team Manager Pool Deck Passes to clubs; the allocation is based on the number of swimmers competing\*.

You don't need to let us know who your Club has allocated to use this free ticket; they simply need to advise the Front Gate Ticketing Staff "that they are an allocated Club Team Manager for xyz club" and they will be issued a free Pool Deck Pass wristband.

Once your Club has exhausted its allocation of free passes, spectator tickets will need to be purchased. Your free Team Manager allocation quantity is below.
